4.3.1 Institution frequently updates its IT facilities including Wi-Fi

The college undertakes to update all the computers with latest antivirus software. Annual maintenance contract has been assigned to an agency to update the IT facilities that include 12 computers and 1 laptop used by non-teaching and teaching faculties along with 08 printers and a photocopier. The entire campus with wi-fi connectivity is in full swing with the assistance of Reliance Jio and NAMO Wi-Fi with 110 Mbps internet bandwidth. The website of the college is frequently updated to keep the stakeholders abreast with the news about college activities. The college has developed a mobile app - Samarpan College - to disseminate information to students and staff members which is available on Google Play store. Students and staff members can access this app through their mobile numbers registered with the college database.
